## Setting Up Your New Smartphone (Page 2 of 2)

To get started with your smartphone, continue with these steps:

**7** You may get a message pop up that provides information regarding your SIM card. This is due to the handset having 2 SIM card slots. Your Mobal SIM card has already been inserted for you, so simply tap "**Close**" to continue with the current SIM. If you have inserted a second SIM, you can tap "**Change**" here to continue with your second SIM.

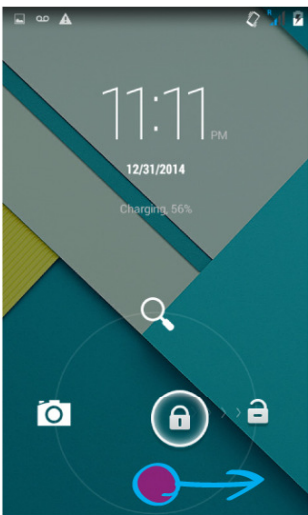

**8** Your phone is now set up and ready to use. Tap "**OK**" to start using your phone

## Charging Your New Smartphone

How to charge your handset:

**1** The charging port is located at the top edge of the phone

Connect your charger to the wall outlet and then connect your charger to the charging port at the top of your phone

**2** To check your phone is charging, you should see this symbol in the top right hand corner

The first time you charge your phone it is advised that you charge it until the battery icon is full. This can take several hours
