Setting Up Your New Smartphone (Page 1 of 2)

To get started with your smartphone, follow these steps:

1 To turn the phone on press and hold the power button on the top right hand side of the phone.

2 First, select your language from the dropdown box, then tap "**Next**".

3 Set up a wifi connection.

(or skip this step and set up later if wifi isn't available).

4 Choose "**Automatic date and time**" or Select your preferred time zone and then tap "**Next**".

5 Read through the end user license agreement. Then tick the box "**I understand and agree to the terms and conditions above.**" Then choose whether or not you want to send Samsung error log data click tapping either "**Yes**" or "**No thanks**". Then tap "**Next**".

6 Now sign in or set up a Samsung account. If you do not want a Samsung account, tap "**Skip**".

(A Samsung account isn't essential to operate the phone).

Adding Contacts To Your Smartphone

With the device locked and the screen off, follow these steps:

- 1 Unlock your phone by swiping the screen to the left or right.

- 2 Tap the contacts icon in the bottom left of the screen.

- 3 Add a contact by tapping the "+" symbol in the top right of the screen.

Choose whether you want to save the contact to either the phone or the SIM card and tap **"Add new account"**.

- 4 Fill in all of the contact details and when finished tap **"Save"** in the top right hand corner of the screen.

Remember to include the international dialing code (including "+" sign and country code) to your contacts before saving.

Making a Call On Your Smartphone

Follow these steps to make a phone call:

1 Unlock your phone by swiping the screen to the left or right.

2 Tap the telephone icon in the bottom left of the screen.

3 The number pad will then appear. Input the phone number you wish to dial and then tap the telephone icon to make the call.

4 Alternatively, if you have already saved your contact phone numbers, you can search for a contact name. To do this, first of all tap the contacts icon from the home screen.

5 Then type the name of the person you wish to call into the search box at the top of the screen. Then tap on the name of the person you wish to call.

6 Now tap the telephone icon to make the call.

Charging Your New Smartphone

How to charge your handset:

- 1** The charging port is located at the bottom edge of the phone.

Connect your charger to the wall outlet and then connect your charger to the charging port at the bottom of your phone.

- 2** To check your phone is charging, you should see this symbol in the top right hand corner.

The first time you charge your phone it is advised that you charge it until the battery icon is full. This can take several hours.
