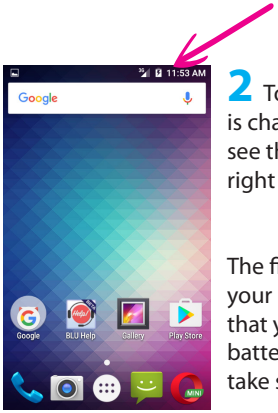
Charging Your New Smartphone

How to charge your handset:

1 The charging port is located at the top edge of the phone

Connect your charger to the wall outlet and then connect your charger to the charging port at the top of your phone. (Your phone may be a different color to the model shown).



2 To check your phone is charging, you should see this symbol in the top right hand corner

The first time you charge your phone it is advised that you charge it until the battery icon is full. This can take several hours

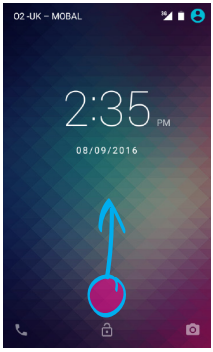
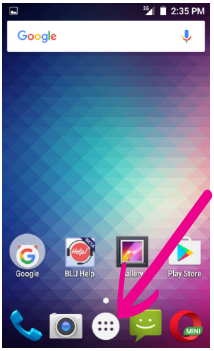
Setting Up Cellular Data on Your Smartphone

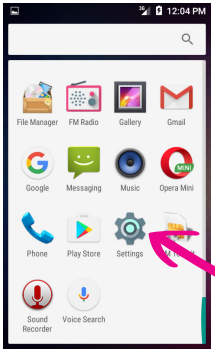
To set-up your smartphone to use the Mobal Data Service, simply follow these steps below:



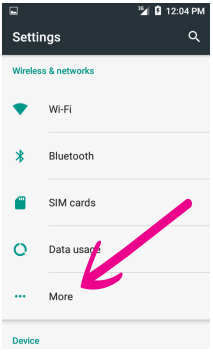
1 Press the power button located on the top of the right edge of the phone (above the volume buttons). Unlock your phone by dragging the padlock symbol upwards.



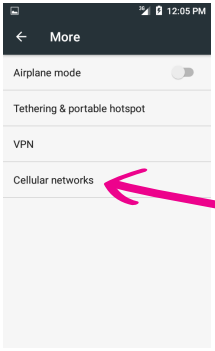
2 Tap the "**Menu**" icon located in the center bottom section of the screen



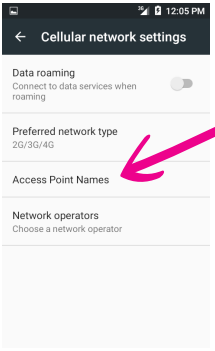
3 Swipe the screen up & down until you can see the "**Settings**" icon and tap on it



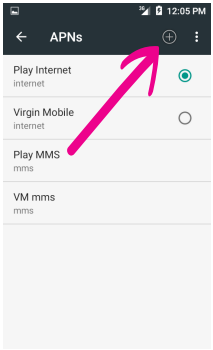
4 Tap on '**More**'



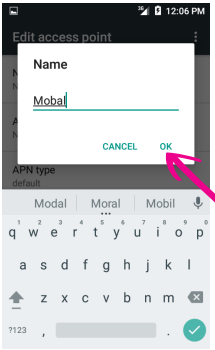
5 Tap on "**Cellular networks**"



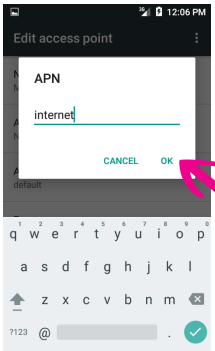
6 Tap on "**Access Point Names**"



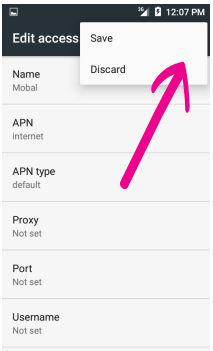
7 Tap the plus symbol located in the top right section of the screen. When the box appears tap "**New APN**".



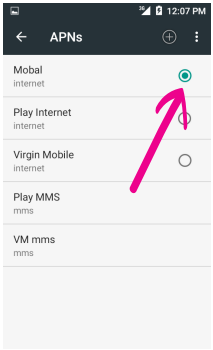
8 Tap on "Name" (which is first in the list at the top), when the new window opens type in "**Mobal**" then, press "OK"



9 Then tap on "APN" and when the new window opens type in "**internet**" or "**wap.vodafone.co.uk**" then, press "OK"



10 Tap the symbol located in the top right section of the screen. When the box appears tap "**Save**".



11 You should now see your cellular data settings on the screen under the name "**Mobal**".
Locate the circle on the right next to your Mobal Data settings and tap on it. Make sure that circle turns blue.

12 Please now restart your phone for the changes to take effect. You are now ready to use the internet - at home or as you travel!

Please note: *These data settings may reset as you travel from country to country. Please keep this guide safe as you may need to repeat the above steps in order to enjoy your Mobal Data Service as you travel.*
